

QUEST

QUALITY EXCELLENCE & SAFETY TOGETHER

Quality Conclave
in association with

CAHO
Committed to Safer Patient Care

28th November 2026

O by Tamara, Trivandrum

08:30 am

KIMSHEALTH

“QUEST – Quality Excellence & Safety Together” brings healthcare leaders, clinicians, quality professionals and technology experts together to help Indian hospitals go beyond compliance and build a lasting culture of quality and patient safety. Organised by KIMSHEALTH in association with AHPI and CAHO, the conclave aims to share practical ideas on involving patients in designing care, turning accreditation into everyday safe practice, and using data to improve outcomes that matter to patients. By encouraging shared learning and collaboration across institutions, QUEST seeks to help hospitals move from reactive fixes to proactive, risk-based safety systems, so that every patient receives safer, better and more compassionate care.

ORGANIZING COMMITTEE

Patrons

Dr Sahadulla

Chair, MAB, Aster DM Quality Care Ltd

Jerry Philip

CEO, **KIMSHEALTH** Trivandrum

Remya R

Head QPS, India 3
